Making time for small things

Today, I decided to slow down.

I made time for a quiet morning.

Instead of checking my phone, I opened my notebook.

A warm cup of tea helped me settle in.

I wrote down one thing I wanted to remember.

It did not have to be anything special.

Small moments can make an ordinary day feel different.

Tomorrow, I want to make time for them again.

Words to keep

- ☑ make time for + noun　〜のために時間をつくる
- ☐ instead of + -ing　〜する代わりに
- ☐ settle in　落ち着く
- ☐ write down　書き留める

A useful pattern

Instead of checking my phone, I opened my notebook.

Instead of + -ing　/　I + past tense

My own words

I make time for a quiet morning.
